Employer Information and Verification**

Dear Former Employer:

I received information from the insurance carrier regarding New Jersey Continuation coverage and have completed the "Request for Treatment as an Assistance Eligible Individual" The carrier also sent me this Employer Information and Verification to send to you to complete.

In order for the carrier to determine if I am eligible for the ARRA Premium Reduction please complete the following and return it to the carrier along with my Request for Treatment as an Assistance Eligible Individual and my continuation election form, if it is enclosed. Please complete and mail immediately so the carrier may process my request.

Please understand that your cooperation in providing this information will **not** result in you being required to pay the 65% reduction. The carrier will pay it. Without this information I may not be able to take advantage of the premium reduction. While the carrier and I anticipate you will cooperate, the New Jersey Department of Labor and Workforce Development has indicated it will take necessary action if an employer fails to cooperate. Further, if you fail to complete the Employer Information and Verification the carrier will deny my request for treatment as an assistance eligible individual which will entitle me to appeal rights with the U.S. Department of Health and Human Services.
